Consent/Authorization for Emergency Medical Treatment

I, the undersigned, give the instructors, staff, and responsible adults of Southwestern Pennsylvania Judo the power to authorize medical or other treatment of the student named:

_____, subject to the limitations listed below, if any. If I am not the named student, I am the parent, guardian or responsible adult for the named student, and I have legal right to grant this power. Treatment may be made without regard to whether I or any other parent, guardian or responsible adult has been contacted or has consented to the specific treatment, provided it does not conflict with the limitations outlined below. This authority begins on the date signed and continues indefinitely.

Limitations of treatment:

By granting my authorization, I assume responsibility for all decisions made, provided they are reasonable decisions under the circumstances based on the knowledge and understanding of the person making the decisions, and I trust their judgment and offer the benefit of the doubt to them in any claim or legal proceeding. This presumption may only be overcome by clear and convincing evidence that they acted with malice or willful gross negligence, and if so they may still be liable.

I understand that the instructors, senior students, or others may have some skills in first aid, CPR, and, at their discretion, I authorize them to use those skills and techniques to assist in any circumstances in which they judge their skills would be necessary or helpful.
